Dr Fco. Javier Ampudia-Blasco - Director

Dr Juan Girbés Borrás - Editor-in-Chief

Dr Pilar Martín-Vaquero - Editorial Secretary

Date __ of _____ of 20__

Dear Dr Ampudia-Blasco:

With regard to the article entitled «_____», which we have submitted for consideration by the Editorial Board of *Avances en Diabetología* and for its possible publication as an original article in the section «_____», I enclose the declaration of potential conflicts of interest in connection with the content of the manuscript.

DECLARATION OF CONFLICT OF INTEREST

As many forms as there are authors will be enclosed

I certify that all the sources of financial and material support used for the preparation of this work are clearly stated in the manuscript.

I certify that all the relationships of a financial nature established by me with any organisation or entity, the products or services of which are directly related to the content of the manuscript, are clearly stated in the said manuscript.

Definition of potential conflicts of interest

The relationships with organisations or entities, the products or services of which are directly related to the content of the manuscript, that must be declared, are as follows:

1. Being employed by an organisation or entity.
2. Performing tasks related to the provision of scientific advice, such as having been a member of Committees of Experts, either at present or in the past, of an organisation or entity.
3. Providing services, such as courses or conferences, at the invitation of an organisation or entity, for which some type of financial compensation was received.
4. Being the beneficiary of financial support or grants for research granted by an organisation or entity.
5. Being the owner of shares of an organisation or entity, thereby including other close family members.

The address for correspondence is:

*** Important notice. The signature page may be scanned for its inclusion in the document.**
